THE RITUAL — EVERY SHIFT, NO EXCEPTIONS

- **Text your ETA to Jasen** — (805) 216-8811 — when you depart; arrive early enough to walk the water first.
- **Walk the EAP at check-in:** 911 address confirmed, AED and first-aid located, 911 caller assigned — before guests swim.
- **First thunder clears the water.** Thirty minutes from the last strike; the clock resets every time. Your call, ownership backs it.
- **Check out with Jasen** at end of shift — and report any incident or near-miss the same day, however small.
